> VIENNA, MARCH II. - The departure of the Emperor Napoleon from Elba cons tiques to occupy the whole attention of the public. There have been numerous conferences between the fovereigns and miniters, as yet we know of no refolution of the congress relative to this unexpected circumstance.

London, March 11 - The important news brought yesterday from France has struck the public like a clap of thunder, no person expected it. All the great concerns of Europe had been arranged at the Congress. There was no probability that the flames of war would be re kindled in fon and government of Louis was more and more confirmed

At 1 o'clock the agitation in this city was beyond all description. Before ten o'clock the Exchange was full, and news was expected, as it was known the ex-

prefies had arrived.

Butiness is in the greatest state of activity. The Chancellor of the Exchequer has adjourned until Monday week the examination of the new taxes which proves that the loans he has obtained and perhaps the new state of things have determined him to have recourse to a new system. Conrequently we advise the public to be prepated for the renewal of the property tax, with all its inquilitorial forms.

Mirn Chron. London, March 17. Twenty fail of the line were yellerday ordered to be put in commilion, and many officers who had been put upon half pay, have been ordered to repair to the admiralty- A press is ordered in the port of London and in all the other ports for the fervice of the
